Leading Forklift Manufacturer Announces Expansion to Arizona

Kingman, AZ operations will support sales and service locations and customers throughout the United States

NEW BREMEN, OH (February 15, 2024) – Crown Equipment Corporation, one of the world’s largest material handling companies, has announced plans to open a new multi-use facility at 4200 N. Industrial Blvd in Kingman, AZ. This strategic expansion is intended to establish key operations closer to Crown customers.

The new facility in Kingman will support Crown retail operations and authorized dealers located throughout the United States, accelerating the availability of forklifts, parts and service customers need to keep their operations moving. Crown currently operates 24 manufacturing plants in 14 locations globally, and nearly 80 company-owned retail locations in the United States, with more than 500 retail locations globally.

Plans regarding the specific operations that will occupy the facility are still in development, but the company intends to have certain elements operational in 2024. This will create new job opportunities in the Kingman region, though the total number of positions to be filled is not yet determined. Crown is recognized as a Military Friendly® Employer and appreciates and welcomes veterans and military spouses.

Recruiting for the new Kingman facility will be underway soon. Those interested in applying should visit [crown.jobs](https://www.crown.com/jobs) to create a profile and receive alerts about new opportunities at the Kingman, AZ area as they become available. Elsewhere, Crown is currently seeking to fill more than 500 positions at its facilities throughout the United States.
